Dear Sir,

PETITION AGAINST THE HONOURABLE KENNEDY AGYAPONG MEMBER OF PARLIAMENT
FOR ASSIN CENTRAL CONSTITUENCY

I write to formally petition your good office on certain criminal allegations made by the Hon. Kennedy Agyapong concerning the Former President, His Excellency John Dramani Mahama.

Hon. Kennedy Agyapong in an interview granted on the Seat Show on Net 2 TV, which is making rounds on social media, alleged that the Former President was responsible for the murder of the former Member of Parliament for Abuakwa North, J. B. Danquah. **(please find attached a copy of the said interview)**

Hon. Kennedy Agyapong in the said interview, further alleged that the Former President had J. B. Danquah killed because the former MP was in possession of his naked pictures.

Given the seriousness of the allegations, it is only fair and proper that your office conducts a full scale investigation into the allegations.

It is my prayer that your office will give this petition the necessary attention it deserves and investigate these claims to ascertain their truth or otherwise.

I also pray that your office will institute criminal proceedings against Hon. Kennedy Agyapong for the publication of false news and for offensive conduct conducive to the

breach of peace, if your investigations reveal that the Honorable MP's claims were without merit.

Yours faithfully,

Mahmud Osman
