**THE CHIEF EXECUTIVE OFFICER  
KOMFO ANOKYE TEACHING HOSPITAL  
KUMASI.**

Dear Sir,

## NOTICE OF ABSENCE FROM WORK

At our Emergency Meeting on Tuesday 12/03/24 members resolved on the following;

1. It is scandalous to even consider the eviction of doctors from their homes while alternate arrangements have not been made.
2. The persistent threats to cut the electricity and water supply to the homes of doctors in order to forcefully push them out is inhumane and not acceptable in any sense.
3. We are thereby notifying management of our collective decision to be absent from work in Komfo Anokye Teaching Hospital from Wednesday 13.03.24 at 0600HRS till this matter is completely resolved.
4. We encourage management as our employers to pursue all avenues to solve this fiasco which is a never-event in any developed community.

Thank you.

Your faithfully,

*Michael*
